Mr. Carter reported two to three elm trees need removed due to disease, other trees show an iron deficiency, damage to trees from weed eaters at the base is evident, and extensive damage caused by vandals was also noted to many of the smaller trees which will have to be replaced. Supervisor John stated he will be replacing and treating the trees as Mr. Carter suggested. Ed Jolovich of 519 West 15th Ave. addressed the Council. He stated the City is doing a poor job of caring for the trees in Pioneer Park and it is a shame since we are a Tree City USA Community.
